A RUNAWAY.

Mr. Eugene Folk's buggy smashed into Splinters—No One Seriously Hurt.

Friday afternoon Mr. Eugene Folk's horse became frightened at a pile of brick just below the Crowell Hotel and ran away. The horse ran into Main street and struck the sidewalk in front of the Mower Company's. Mr. Folk was thrown from the buggy at Dr. Pelham's store and escaped with a few bruises. Mr. O. McR. Holmes' horse and buggy was standing on Main street and the runaway horse ran into the buggy and scared his horse, but it was soon stopped without doing any damage, but Mr. Folk's horse ran against the side steps of the court house which turned the buggy over and smashed it all to pieces. The horse got tangled up among the harrows and reapers at the rear of the court house, and had to stop. The buggy was a complete wreck.

At one time it looked as if the runaway would prove serious, and it is indeed fortunate that no one was hurt. Mr. Folk had a narrow escape.

Don't Start Wrong.

Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly." W. E. Pelham & Son.

A SOLEMN PROTEST.

Respectfully referred to the City Council and County Board of Commissioners.

For the Herald and News: I'm in trouble. I want relief. In financial affairs I have found that it is either hustle or hush. In sociological, it is what we choose to make it; but, in the matter of trade, there is such a wide, even, an illimitable sphere that may be "promoted" that it seems to me, the exercises of the best efforts of the full board of aldermen is called into play.

I have reference to the indefatigable, incontestable, incontrovertible and unavoidable book agent, whose solicitations and importunities range with invariance from the time in which the earliest bird sets out to hunt the biggest worm to that hour when "all honest people should be in bed."

Now, I have a proposition to offer that I think will meet the approval of the whole citizenship of Newberry, viz: That a place shall be selected by the mayor and aldermen of the city of Newberry and the county board of Newberry County, setting aside an area of land amounting to nine square feet at a point on Broad river where the line between Newberry and Lexington counties touches said river on which said agents shall solicit subscriptions for such "stuff" as they may have in hand, and make collections for same; for any violation of which they shall be fined not less than one thousand dollars or be made to serve on the county chain gang for a period of not less than ninety days.

Respectfully submitted by P. S.—I have been a book agent; and I know the enormity of their crimes. H.

1,5125.00 CASH PRIZE.

Smith Bros. at Kinards, S. C., Awarded First Prize as Most Successful Operators of the Lowry Compress.

This Compress has been operated by Messrs. Smith Bros. for three seasons and the increase in patronage each season has been very great, due to the many advantages offered the patrons of the Compress some of which are as follows, viz:

First. A premium of about 1/2 of a cent per pound on cotton compressed on it.

Second. No loss in weight, the ginners weight at time cotton is compressed being accepted at time of sale of cotton.

Third. No loss from damaged cotton where cotton is exposed to weather, as it is compressed which excludes water, which has clearly demonstrated by three years practical experience at Kinards.

Fourth. No loss by fire, as cotton compressed by the Lowry Compress will not burn as has been demonstrated in a number of instances where vessels and warehouses have burned on it, and also on many occasions where the Planters Compress Company have made the test to demonstrate the fact to others. The Compress has been very much improved and last season gave entire satisfaction to owners, operators and patrons and it is now acknowledged to be a perfect success by all who know anything of the workings of it last season.

Smith Bros. compressed upwards of two thousand bales last season and hope to compress at least three thousand bales next season.

Graduates in Pharmacy.

Messrs. Robert Mayes and M. D. Huie arrived in Newberry Saturday from the Baltimore College of Pharmacy, they both having graduated from that institution. Dr. Mayes will locate in Newberry and will be in business at Mays' drug store. Dr. Huie has not yet decided where he will locate.

Negro Loafers Sent Up.

Magistrate Chappell last Friday morning convicted Benson Brooks, colored, of petty larceny, breach of trust and vagrancy and sentenced him to the chain gang for thirty days for each offense. Mayor Kletner also sentenced Brooks to 10 days for failing to pay street duty.

Magistrate Chappell also sent Ollie Kelly, colored, to the gang for thirty days on a charge of vagrancy. He also had to serve ten days for the Mayor for failing to pay street duty.

It is a good idea to rid the town of such characters, and we hope the authorities will keep the good work up.

Like a Drowning Man.

"Five years ago a disease the doctors called dyspepsia took such a hold of me that I could scarcely go," writes Geo. S. Marsh, well known attorney of Nocona, Tex. "I took quantities of pepsin and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble. W. E. Pelham & Son.

THE TRUSTEES SUSTAINED

The State Board of Education Sustains the Decision of the County Board which Upheld the Action of the Trustees.

Some time ago certain patrons of the Johnstone Academy school petitioned the trustees of the school to transfer certain of the pupils to another district, which the trustees refused to do, stating at the time that the Johnstone school was the nearest, most convenient and furnished the best accommodations to the patrons desiring to have their children transferred to another district.

The patrons then appealed to the County Board of Education, which after a careful investigation sustained the action of the trustees in refusing the petition.

The petitioners then appealed to the State Board of Education, and a few days ago the State Board dismissed the appeal.

Dangerous If Neglected

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yanketown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. W. E. Pelham & Son.

Meeting of Joint Council.

Another Mad Dog.

Policemen Franklin and Bouknight had quite an exciting experience with a mad dog on Main street, near the Blaine Hotel, last Friday night. They were summoned there to kill a dog that was acting in a suspicious manner, and on arriving at the scene found the dog attempting to bite everybody and everything that came near it—foaming at the mouth. After several shots the dog was killed. Nothing was bitten by the dog, except one other dog, which was killed afterwards.
